Aperte os conectores elétricos até o limite. Conectores mal encaixados podem ocasionar aquecimento.

Tighten the electrical connectors to the limit. Improperly connected connectors can cause overheating.

Antes de utilizar o produto, verifique se a estrutura está estável e se o aparelho está em perfeito funcionamento.

Before using the product, check that the structure is stable and the device is working properly.

Parabéns! Sua
LEDWindow está
pronta para trabalhar!

*Congratulations! Your
LEDWindow is ready
for work!*
